

R. Stephen Vander Veer

(772) 778-0858 • transfer@flydutch.net

My extensive prepress experience has entailed design functions at every stop. Whether it's been solving workflow-related problems, such as on-the-fly layout changes, making last-minute client "enhancements", or creating various pieces from scratch, there's an over-arching production synergy that can be realized via this design/prepress background . . .

Never promise more than can be delivered, either in technique, or in billing . . .

PREPRESS EMPLOYMENT HISTORY

Print Depot

(PALM BAY, FL) 2019 > PRESENT

Prepress Operator

- Prepress and production art provided for this digital/offset shop featuring screen printing & large format options
- Digital color operations (Xerox) & variable data/bulk mail
